**NOTES:**

- The philosophy major requires 30 credits to complete. The major is designed to be extremely flexible. Students should contact the Department Chair as soon as they are interested in pursuing a philosophy major to discuss schedule planning.
- The schedule above provides a template. Schedules will vary by student.
- There is no expectation that students begin the philosophy major during their first year. Many students who major in philosophy do not decide to major in philosophy until their sophomore year; sometimes even later.
- Many students who complete the philosophy major also complete a major and/or a minor in another discipline.
- Summer courses may be taken at Millikin or another institution (course approved through Registrar)
- Undergraduate graduation hour requirements: 124 credits
- To be considered a full time student you must enroll in a minimum of 12 credit hours per semester.
- If taking Advanced Placement courses in high school or considering dual enrollment in high school/community college courses, please make sure you speak with a faculty advisor or Registrar's Office at Millikin prior to your selection/enrollment.
