Only 12 months stand between you and infinite possibilities!

Millikin University’s Daytime MBA Program is designed for recent graduates and young business professionals from all majors. No foundation courses are required ... our Boot Camp provides you with everything you need to know to get started!
Millikin’s MBA prepares you for success!

From August to August, immerse yourself in our rigorous curriculum, learn from world-class faculty, build leadership experience and form a supportive network that will jump start your career! You will gain mastery of all of the functional areas of business and be prepared to positively impact organizations, communities and individuals.

The Daytime Program Experience

- Designed for recent graduates and younger professionals from all majors
- Daytime classes that meet in-person
- 12-month, 40-credit program in accelerated nine-week units
- Starts every August
- Cohorts typically average 15-20 students
- Travel internationally as part of the curriculum
- Access to state-of-the-art technology in the MBA suite
- Graduate Assistantships available
- Millikin alumni receive a $6,000 scholarship
- **Choose between two concentrations:**
  1. Project Management; earn an internal Green Belt Lean Management Certification through a Fortune 100 company
  2. NEW! Data Analytics & Business Intelligence

“The MBA Program at Millikin gave me a chance to expand my theoretical knowledge of business while further developing my professional expertise through my graduate assistantship. I am eternally grateful for the experiences gained in and out of class that enabled me to land my first job out of college.”
