

TABOR SCHOOL OF BUSINESS

Millikin University

Entrepreneurship Certificate

Student: _____

Effective Fall 2019

Advisor: _____

Major: _____

In the Entrepreneurship Certificate students learn to innovate, create, lead, and own a business venture. Coursework in the certificate program is designed to teach students to recognize the opportunities, marshal resources, and assess risks. Students will be exposed to many activities of entrepreneurship including customer-driven opportunities, design thinking, market research, prototyping a new product or service, developing and iterating business models, attracting capital, networking with other active entrepreneurs, and starting a business. This certificate is not available to Entrepreneurship majors. Certificate courses must be completed with a grade of "C" or better.
