

The Millikin MBA.

*One Program.
Two Deliveries.
Infinite possibilities.*

Millikin University's MBA Program offers a competitive advantage in today's business economy, where competition is fierce and performance is crucial. Our curriculum teaches students to "Think Like an Executive" and focuses on our three main Pillars of Excellence: accounting and finance, marketing and strategy, and management and leadership.

millikin.edu/mba

Daytime MBA Program

Our 12-month daytime program allows aspiring business professionals to benefit from classes within the project management or data analytics concentrations, taught in an accelerated format.

Millikin also offers a graduate data analytics & business intelligence certificate for individuals in any industry who wish to learn how to use data to solve complex problems.

Daytime Program Highlights

- » Classes that meet in person; new cohort begins every August
- » Choose between two concentrations:
 - » Project Management
 - » Analytics & Business Intelligence
- » 12-month, 40-credit program
- » Average class size is 15-20 students
- » International immersion experience
- » Alumni scholarships available; graduate assistantships are also available
- » Geared toward younger professionals from all majors wishing to gain executive-level business knowledge and critical-thinking skills

Evening MBA Program

Designed with the working adult in mind, our 17-month evening program provides an innovative, collaborative workspace driven by Performance Learning and diverse student cohorts. Our curriculum promotes your mastery of business concepts while teaching you to think like an executive.

Evening Program Highlights

- » Classes meet in person; new cohort begins every January
- » 17-month, 40-credit program
- » Average class size is 10-15 students
- » International immersion experience
- » Alumni scholarships available
- » Geared toward the working adult with several years of business experience

Graduate Certificates

Millikin also offers a graduate data analytics & business intelligence certificate for individuals in any industry who wish to learn how to use data to solve complex problems.

- » Certificate Program contains 4 courses
- » 1-year completion time

* Millikin's MBA programs are accredited by the Accreditation Council for Business Schools and Programs (ACBSP).

Application Requirements

Online Application

- » Complete Millikin University's MBA application at millikin.edu/apply.

Official Transcripts

- » All transcripts must be sent directly from each institution attended.
- » Electronic transcripts are only accepted from students applying before the completion of their undergraduate degree.
- » Official transcripts showing all coursework to date should be submitted; official final transcripts must be submitted prior to class beginning.

Current Résumé

- » Résumés should include all professional and educational background, along with any awards, honors or distinctions.

Letters of Recommendation

- » Three letters of recommendation must be received from individuals with direct knowledge of the applicant's education, professional background and leadership abilities.
- » Evening MBA program applicants should include a recommendation letter from a direct supervisor.
- » Daytime MBA program applicants should include a recommendation letter from a recent professor.

Statement of Purpose

- » Submit a 1-2 page statement describing your personal and professional goals.

Interview

- » Schedule an interview with MBA Program admin.

Additional Requirements for International Students

- » Official transcripts must be evaluated by a professional evaluation service such as World Education Services (www.wes.org) or Education Credential Evaluators (www.ece.org) prior to submission.
- » Proof of English language proficiency must be submitted. Minimum test scores: 79 TOEFL iBT or 6.5 IELTS or 56 PTE(A). (This requirement may be waived for students who have earned a degree from an institution using English as the method of instruction).
